# Usefull Information

- All olives are given 6 months shelf life from the date of production.
- These are ambient products so can be stored out of the fridge.
- We have 14 flavours in the range, all available in 175g retail pouches and 1kg bags.
- We deliver nationwide, but orders outside our delivery routes do incur a small charge. (More details on page 4)
- All olives are grown in the Meditteranean, then imported and flavoured here in Devon using local ingredients.
- We are a family run business and we operate out of a unit on Sowton Industrial Estate in Exeter, Devon.
- It's really easy to become a customer and place your first order, go to page 3 to find out how.

# Become A Customer

—

Becoming a customer of ours is incredibly easy, just follow the steps below and you'll be selling our olives in no time.

1. First you'll need to fill out the 'New Customer 2022' form that should have been sent to you. Once filled in, please send this back to us so we can get you set up on our system.
2. Secondly you'll need to decide what flavours you'd like, all flavours can be found on our website or in our brochure.
3. Lastly you need to place your first order, this can be done via telephone or email. We are working on an online order portal so you can easily order bulk quantities directly from our site.

That's it! Please see our 'Delivery Information' section on page 4 to found out where we can deliver.

# Delivery Information

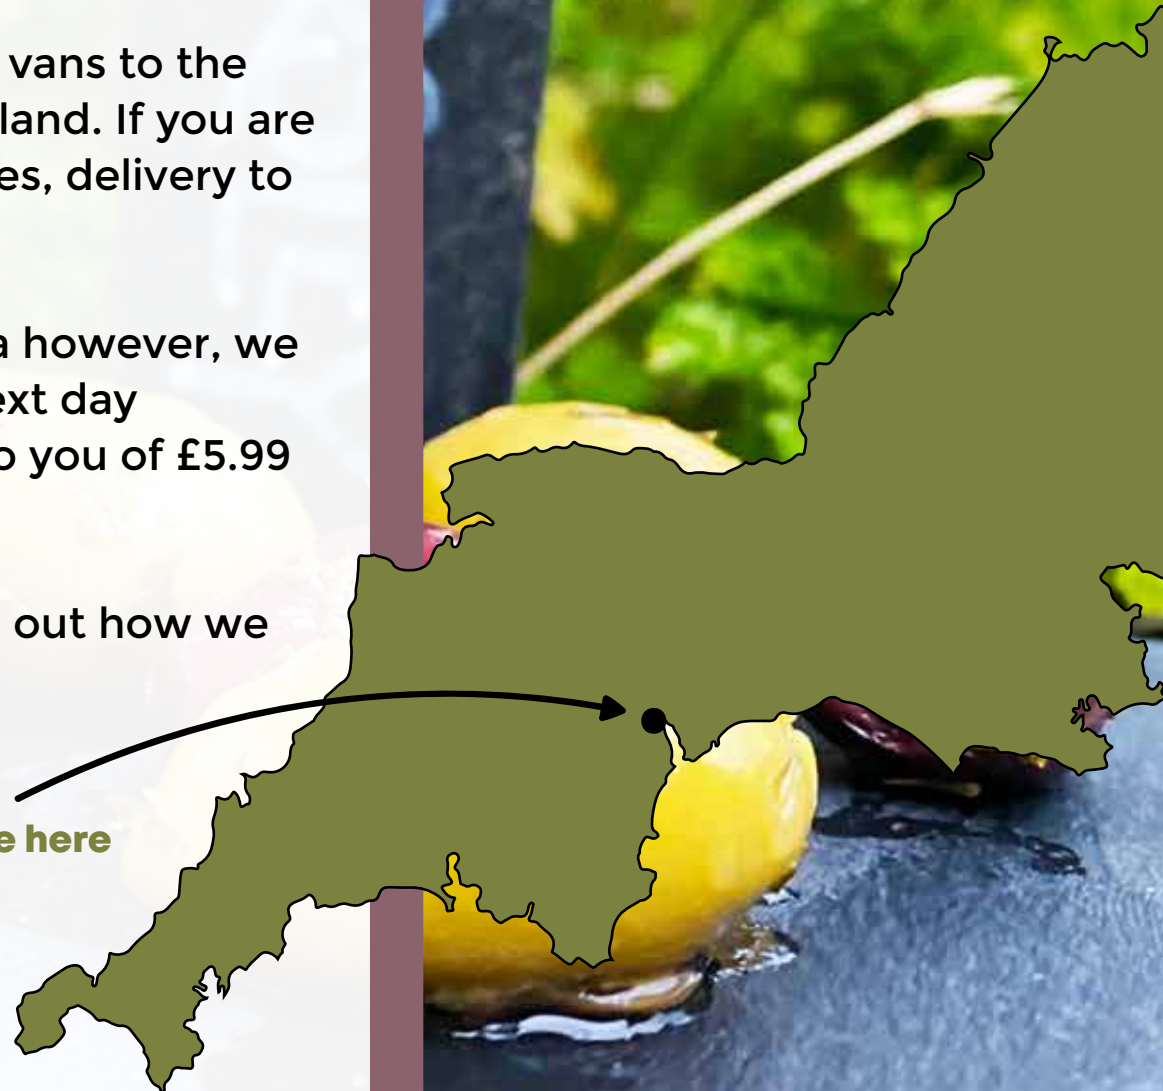

—  
We are open Monday - Friday excluding bank holidays so all deliveries will be sent on these days.

We deliver using our own delivery vans to the majority of the South West of England. If you are situated in one of our regular routes, delivery to you will be free of charge.

If you are located outside this area however, we will send your parcel using DHL next day delivery. This will come at a cost to you of £5.99 per 15kgs of product ordered.

Please get in touch with us to find out how we deliver in your area.
